December 17, 2020

Friends:

It appears we now have an FDA approved vaccine for the Covid virus. Kudos to the many dedicated medical scientists and the many other medical professionals that made this possible. Now comes the next challenges relative to the manufacture, distribution, and implementation of the actual two-step vaccination process. I'm confident this will all be accomplished in the very near future. I encourage all bowlers to contact their medical providers to inquire about receiving the vaccine and possibly arranging for an appointment to be begin the two-step process.

The SIR State Bowling Committee members, SIR Tournament and League managers, and all the other leaders and organizers of SIR bowling activities are hereby invited to participate in a very important meeting via Zoom to be held at **10:00 AM on Tuesday December 29, 2020.** We will discuss the most current status of SIR bowling activities and the planning process for resuming SIR bowling in 2021. Please plan to participate and be prepared to speak about your individual tentative or final plans as they pertain to the 2021 resumption. A proposed agenda is attached for your review and comment. Please send your comments and/or suggestions to me as soon as possible.

Sir Dan Weller will send you an invitation to the Zoom meeting a few days before December 29th with the required meeting ID and password for you to join us. Please RSVP your attendance to Sir Dan. If you have any questions regarding the issues to be discussed, please contact Sir Ray DiBasilio at (530) 558-9727 or email Ray at RDiBasilio@GMail.com. If you need help regarding participation in the Zoom meeting please contact Sir Dan Weller at (925) 935-5510 or email Dan at DWeller@Astound.net. Hope to "See" you all on December 29th.

*Sir Russ Salazar*, Chairman  
SIR State Bowling Committee
