Question 1

The current SIR State Tournament has doubles and 4-bowler team events. Only SIRs are able to participate in this tournament. Should these rules be changed? You can add your comments and / or suggestions in the "other" choice below. Leave the current setup 13 (24.07%) Change the team makeup to three bowlers and keep the doubles, SIRs only 2 (3.7%) Change the team makeup to three bowlers and use Singles instead of Doubles, SIRs only 5 (9.26%) Change the team makeup to Singles and Doubles, SIRs only 12 (22.22%) Leave the current setup but allow spouses and guests to bowl also 17 (31.48%) 5 (9.26%) Other

Question 1 Comments:

Add singles to team and doubles. SIR's only.

Bowling participation is down. Putting together a 4 man team is difficult. 3 man seems even worse. Singles and doubles, leaving out teams is an option. I have no problem opening it up to spouses, or significant others, but not guests. Saves teams.

Change the setup to singles and doubles but allow spouses and guests

Any state tournament should have Singles, Doubles, Team and All Events. Should be always scheduled on Mondays, Tuesday, Wednesday time frame and not near any Holiday weekends. Last but not least it could be open to non members if it would help

I like having guests and spouses bowl with us. I also think that the State SIR tournaments should have singles competition.

Question 2:

The current SIR State tournament has large trophies for the first place Division 1 and Division 2 for the team event. The winning teams can keep their trophies until another team wins the next year tournament. Does the presence of trophies make you more interested in participating in this tournament? Yes - I look forward to this tournament so I can brag for a year if our team wins. 2 (3.85%) The trophies are interesting for a day or two, but they often get stored somebody's garage 9 (17.31%) most of the time. I think this is a waste of money and time. I can do without trophies. How about providing individual plagues or certificates for the winning teams bowlers that 21 (40.38%) they keep? I don't need any trophies, plaques or certificates. The joy and fun of bowling with other SIRs is 17 (32.69%) all I need.

Question 2 Comments:

cash prize for single and doubles winners. Pay out to be determined by tournament officials.

The 2nd and 4th options are basically the same. I personally don't need a trophy or plaque for an event that just changes its location every year.

Prize money would be better, like other Sirs tournament, and singles and doubles, thx

Question 3:

How would you like to see the future your comments and / or suggestions	of the SIR Bowling State Tournament? Please add in the "other" box below.
Showing the most recent responses to the q	uestion. See all responses here.
Other	27 (100%

Suggestions (1 of 2):

- 1. Include spouses and guests including women.
- 2. Consider a permanent house for the tournament.
- 3. For the present it would have been foolish and simply throwing away money for enter and travel expenses since my previous USBC Book and Sir averages were well above my performance in the post Covid era. (175 pre-covid vs 155 post-covid).
- 4. as with our other tournaments, if we are to continue to be successful we need to included to invite guests to bowl.
- 5. Yes, please don't stop having these tournaments
- 6. Would like to see the tournament held every year in Reno, NV at the bowling center.
- 7. Not only was the pandemic a big factor but now gas prices are not helping. Usually I can not bowl because it falls during Senior state time. You have it Thurs and Friday and we go to senior state Thurs night thats a lot of bowling over 4 days!!

- I think the location of the tournament had something to do with lack of interest. I suggest the location of the next State tourney be determined by which city has the best numeric turnout. Maybe Carson City oor Grass Valley or Citrus Heights??
- 9. Current method is fine. Every bowling establishment should participate in this event.
- 10. I think direct emails SIRS members would alert more people. I asked 2 of my fellow bowlers if they had heard of the state event being canceled. Both replied that didn't even know that there was one. Jesse K jkegarise@yahoo.com
- 11. As a former SIR, who might rejoin, I would like friends and family members to bowl in the tournament. SIR numbers are dropping. By allowing friends to bowl you open the door to the possibility that some of them may join up. Also bigger, better crowd!
- 12. I would definitely like to see the State tournament stay, would also change the makeup of team, go to 3 bowlers, bowling 4 games and Singles instead of Doubles
- 13. Have the tournament in Reno.

Suggestions (2 of 2)

- 14. Personal preference: allow spouses and significant others and retain the 4 person team format.
- 15. Set up age divisions, e.g. -50 to 60, 60 to 70, 70 to 80 and over 80. it is difficult to compete against those in their 50's when you are up in age, even in a handicap tournament.
- 16. I retired from bowling several years ago. No comments or opinions.
- 17. Only slow spouses to bowl to step up participation.
- 18. I don't know know how you decide where the state tournament will be held each year, but I would suggest changing to a different city (bowling alley) each year. Thank you.
- 19. With almost all the tournaments allowing guests it seems the way to go.We have lost alot of Sirs bowlers because of Coivid and other reasons and not getting new people involved.
- 20 Sir bowling state tournament should be like any other sirs tournament, spouses and guests are welcome,thx

- 21. Do away with the SIR Bowling State Tournament and just continue encouraging the various branches to conduct tournaments for SIR members and guests as they do now.
- 22. Don't schedule tournaments on weekdays when traffic is a major issue. Why not schedule weekends?
- 23. Possibly a state tournament should be run more days since some people can't make certain days. The suggestion of 3 bowler teams creates a problem with Doubles.
- 24. Maximum three on a lane for all tournaments
- 25. A team from my branch won the B Division State tournament in Modesto last year. It was a huge deal for them personally and a source of pride for our branch. I know that the winning was proud to receive the trophy and the individual plaques.
- 26. I moved to Idaho but would like to bowl with SIRS when I can. Don't exclude us
